## Accreditation

### ACCREDITATION STATEMENT

JOINTLY ACCREDITED PROVIDER  
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, this activity has been planned and implemented by The West Virginia Academy of Otolaryngology Head and Neck Surgery (WVAO) and CAMC Health Education and Research Institute. CAMC Health Education and Research

Institute (CHERI) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### CREDIT HOUR STATEMENT

Physicians- CHERI is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. CHERI will designate this live activity for a maximum number of 10.75 hours for AMA PRA Category I Credit(s)<sup>TM</sup> (Day 1-3.5, Day 2-3.50, Day 3-3.75). Certification for the offerings will be issued upon review and approval by CAMC Health Education and Research Institute.

### DISCLOSURE STATEMENT

It is the policy of CHERI that any faculty (speaker) who makes a presentation at a program designated for AMA Physician's Recognition Award (PRA) Category I or II must disclose any financial interest or other relationship; (i.e. spouses/partners, grants, research support, consultant, honoraria) that faculty member has with the manufacturer(s) of any commercial product(s) that may be disclosed in the educational presentation. Program Planning Committee Members must also disclose any financial interest or relationship with commercial industry that may influence their participation in this conference. Faculty relationships with industry, if any, will be made available on-site and disclosure made from the podium to the participants.

F. Thomas Sporck, MD

WVAO-HNS

PO Box 11306

Charleston, WV 25339-1306

## Hotel Accommodations

A block of rooms has been reserved at The Greenbrier, White Sulphur Springs, WV. To be included in the WVAO-HNS conference room block, you must **make your own room reservation by September 12 by calling 1.877.735.5059**. Rates start at \$225 per room, per night, a reduction of \$80 from 2015!

Please make reservations for dinner, golf, tennis, spa appointments and other activities prior to arrival to ensure availability. For information, contact the Central Reservations Office at 1.800.624.6070.

## Saturday Evening Reception

The Saturday evening reception will take place from 6:00 to 7:30 p.m. in the Chesapeake Bay Room. Take this opportunity to relax after a day of seminars before dining with friends after the reception. The reception, featuring snacks, soft drinks, wine and beer, will give you a chance to connect with old and new friends. Please make your own reservations to meet friends for dinner in one of The Greenbrier's restaurants after the reception by calling 1.800.624.6070.

## Programs for Children and Guests

Children ages 3-12 are invited to enjoy a fun-filled day or half-day program in The Adventure Zone's location in the North Entrance corridor. All children must be age 3 and completely toilet trained. Fees apply. Attentive babysitters are also available. Call Central Reservations at 1.800.624.6070.

There are a variety of daily programs available at The Greenbrier in addition to gaming, golf, tennis, shooting, falconry, indoor swimming pool, driving school and a complete spa facility. Gaming is also available in the grand casino. Call the Central Reservation Office at 1.800.624.6070.

## Objectives

After attending this WVAO-HNS continuing medical education conference, participants should have a better understanding and working knowledge of the following issues and how they relate to improved patient outcomes:

- Improved analysis and selection of proper reconstructive flap based on size, thickness, and location of the defect.
- Better scar analysis for selecting appropriate scar revision techniques.
- Learn a stepwise nasal analysis of the contributing factors to a crooked nose and selection of proper surgical technique to correct that crooked anatomy.
- Knowledgably discuss treatment options for persistent OSAS in children following tonsillectomy and adenoidectomy.
- Discuss the place of hypoglossal nerve stimulation as a treatment option in patients with OSAS.
- Impact treatment considerations for Obstructive Sleep Apnea.
- Broaden understanding and evaluation of the non-OSA sleepy patient
