Accreditation

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the essentials and standards of the Accreditation Council for Continuing Medical Education through the joint sponsorship of CAMC Health Education and Research Institute and the West Virginia Academy of Otolaryngology Head and Neck Surgery, Inc. The CAMC Health Education and Research Institute is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT HOUR STATEMENT

Physicians - The CAMC Health Education and Research Institute designates this live activity for a maximum of 10 AMA PRA Category 1 Credit(s)[™].

(Day 1-3.0, Day 2-3.25, Day 3-3.75) Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE:

It is the policy of the CAMC Health Education and Research Institute that any faculty (speaker) who makes a presentation at a program designated for AMA Physician's Recognition Award (PRA) Category I or II must disclose any financial interest or other relationship; (i.e. grants, research support, consultant, honoraria) that faculty member has with the manufacturer(s) of any commercial product(s) that may be disclosed in the educational presentation. Program Planning Committee Members must also disclose any financial interest or relationship with commercial industry that may influence their participation in this conference. Faculty relationships with industry, if any, will be made available on-site and disclosure made from the podium to the participants.

F. Thomas Sporck, MD

WVAO-HNS

PO Box 11306

Charleston, WV 25339-1306

Hotel Accommodations

A block of rooms has been reserved at The Greenbrier, White Sulphur Springs, WV. To be included in the WVAO-HNS conference room block, you must **make your own room reservation by September 15 by calling 1.877.735.5059**. Rates start at \$295 per room, per night, just the same as 2010 rates!

Please make reservations for dinner, golf, tennis, spa appointments and other activities prior to arrival to ensure availability. For information, contact the Central Reservations Office at 1.800.624.6070.

Saturday Evening Reception

The Saturday evening reception will take place from 6:00 to 7:30 p.m. in the Spring Room. Take this opportunity to relax after a day of seminars before dining with friends after the reception. The reception, featuring snacks, soft drinks, wine and beer, will give you a chance to connect with old and new friends. Please make your own reservations to meet friends for dinner in one of The Greenbrier's restaurants after the reception by calling 1.800.624.6070.

Programs for Children and Guests

Children ages 3-12 are invited to enjoy a fun-filled day or half-day program in The Adventure Zone's location in the North Entrance corridor. All children must be age 3 and completely toilet trained. Fees apply. Attentive babysitters are also available. Call Central Reservations at 1.800.624.6070.

There are a variety of daily programs available at The Greenbrier in addition to gaming, golf, tennis, shooting, falconry, indoor swimming pool, driving school and a complete spa facility. Gaming is also available in the grand casino. Call the Central Reservation Office at 1.800.624.6070.

Objectives

After attending this WVAO-HNS continuing medical education conference, participants should have a better understanding and working knowledge of the following issues and how they relate to improved patient outcomes:

- Challenges of the Affordable Care Act for physicians and patients
- Current approaches to superior semicircular canal dehiscence
- Current issues at the AAO-HNS
- Current issues in neurolaryngology
- Determining factors in medial versus lateral tympanoplasty
- Determining factors in the management of parotid malignancies for performing a neck dissection versus sacrificing the facial nerve
- History and future of Cochlear implants
- History of laryngology
- How to select the best scan for evaluating head and neck neoplasms
- Methods to avoid pitfalls when performing thyroid surgery
- Therapeutic applications of Botulinum toxin in the head and neck
- Treatment issues in Ménière's Disease
- When and how to use Botox for migraine headaches
