A block of rooms has been reserved at The Greenbrier, White Sulphur Springs, WV. To be included in the WVAO-HNS conference room block, you must **make your own room reservation by September 12 by calling 1.877.735.5059**. Rates start at \$225 per room, per night, a reduction of \$80 from 2015!

Please make reservations for dinner, golf, tennis, spa appointments and other activities prior to arrival to ensure availability. For information, contact the Central Reservations Office at 1.800.624.6070.

Saturday Evening Reception

The Saturday evening reception will take place from 6:00 to 7:30 p.m. in the Chesapeake Bay Room. Take this opportunity to relax after a day of seminars before dining with friends after the reception. The reception, featuring snacks, soft drinks, wine and beer, will give you a chance to connect with old and new friends. Please make your own reservations to meet friends for dinner in one of The Greenbrier's restaurants after the reception by calling 1.800.624.6070.

Programs for Children and Guests

Children ages 3-12 are invited to enjoy a fun-filled day or half-day program in The Adventure Zone's location in the North Entrance corridor. All children must be age 3 and completely toilet trained. Fees apply. Attentive babysitters are also available. Call Central Reservations at 1.800.624.6070.

There are a variety of daily programs available at The Greenbrier in addition to gaming, golf, tennis, shooting, falconry, indoor swimming pool, driving school and a complete spa facility. Gaming is also available in the grand casino. Call the Central Reservation Office at 1.800.624.6070.

Objectives

After attending this WVAO-HNS continuing medical education conference, participants should have a better understanding and working knowledge of the following issues and how they relate to improved patient outcomes:

- Improved analysis and selection of proper reconstructive flap based on size, thickness, and location of the defect
- Better scar analysis for selecting appropriate scar revision techniques
- Learn a stepwise nasal analysis of the contributing factors to a crooked nose and selection of proper surgical technique to correct that crooked anatomy
